Data Protection / Money Laundering Act – Credit Reference and Fraud Prevention Agencies: Before granting credit and in adherence to the money laundering laws as well as detecting fraud and confirming identity we may periodically search the files of Credit Reference Agencies and keep a record of that search. We may share details with Credit Reference Agencies and other organisations involved in the detection and prevention of fraud or money laundering. If we are aware or suspect fraud we will record this. It may also be used for tracing and claims assessment. Information held about you by the Credit Reference Agencies may already be linked to records relating to one or more of your partners. For the purposes of this application you may be treated as financially linked and your application will be assessed with reference to any "associated" records. You have the right of access to your personal records held by credit and fraud agencies. We will supply their names and addresses upon request.
